This will be a 20x40' building Gober Buildings out of Seminole Oklahoma will construct the building. This will be on the northwest corner of the property. Building delivery and construction will be in approximately 1-2 weeks.

No flood plain issues were identified. Mr. LaRue also shared a drawing of the building and the building location on the property from a PRAD map. The building plans met all the requirements of our Ordinances. Recommend issuing a building permit and a heavy load permit to Mr. LaRue.
