Building Committee convened today to review the plans for the construction of a shop type building for Terry Winkelman. This will be a 20x26' building with a 24x28' cement pad. Eagle Carports will deliver and construct the building. This will be on the south end of Terry's property. Building delivery and construction will be approximately 4-6 weeks after ordering.

Kelly Weatherford explained various aspects of Chapter 9 – Buildings - from the Palisades Ordinances. No flood plain issues were identified.

Mr. Winkelman's building plans met all the requirements of our Ordinances. Recommend issuing a building permit to Mr. Winkelman.
