Section 1. That the findings set forth in this Resolution are hereby in all things approved.

Section 2. That, without prejudice to future litigation of any issue identified by Cities, the Board of Aldermen finds that the settled amount of an increase in revenues of \$6.72 million for Cities represents a comprehensive settlement of gas utility rate issues affecting the rates, operations, and services offered by Atmos West Texas within the municipal limits arising from Atmos West Texas' 2022 RRM filing, is in the public interest, and is consistent with the City's authority under Section 103.001 of the Texas Utilities Code.

Section 3. That the existing rates for natural gas service provided by Atmos West Texas are unreasonable. The new tariffs, attached hereto and incorporated herein as Attachment 1, are just and reasonable, and are designed to allow Atmos West Texas to recover annually an additional \$6.72 million in revenue from customers in Cities, over the amount allowed under currently approved rates. Such tariffs are hereby adopted.

Section 4. That the ratemaking treatment for pensions and retiree medical benefits in Atmos West Texas' next RRM filing shall be as set forth on Attachment 2, attached hereto and incorporated herein.

Section 5. That Atmos West Texas shall reimburse the reasonable ratemaking expenses of the Cities in processing the Company's 2022 RRM filing.

Section 6. That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Resolution, it is hereby repealed.
